NAFS cases may also include Refugee, GR, Cuban/Haitian Entrant, or MI members.

In contrast, with the exception of Code 2110 (Food Stamp Issuance), caseworker hours performed on behalf of Public Assistance Food Stamp (PAFS) cases (i.e., cases that receive both CalWORKs and FS), as opposed to NAFS cases, should be reported to the appropriate CalWORKs time study code located in the CalWORKs Function PCDs. Code 2110 (Food Stamp Issuance) is an exception because food stamp issuance activities are by definition food stamp costs; therefore, there is no need to distinguish between PAFS and NAFS cases. In addition to the various activities listed below for each individual NAFS time study code, allowable NAFS activities also include: Income and Eligibility Verification System (IEVS) related functions (e.g., inquiries, matches, fraud referrals, Integrated Earnings Clearance/Fraud Detection System (IFD) overpayment computations and related follow-up contacts), fingerprint imaging, hearing preparation and/or presentation, and FS Quality Control (QC) activities.

(NOTE: NHM information must be processed by dedicated IEVS staff who time study in accordance with CDSS time study instructions. As in the case with the wage match, we recommend that any resulting

TANF FISCAL INCENTIVES:

Welfare and Institutions Code Section 10544.1 established performance incentives to counties to move CalWORKs recipients into employment. Counties may use TANF federal incentive funds for expanded services and benefits that directly lead (or can be expected to lead to) the accomplishment of one of the four purposes of the TANF program.

The following Time Study Codes have been established to capture costs for federal reporting purposes, activities consistent with benefits, or services provided under TANF. These codes will only be used for reporting federal fiscal incentives. Counties may no longer report fiscal incentive expenditures to extraneous; all expenditures must be reported under existing and new program codes. Both state and federal fiscal incentive expenditures will continue to be reported on the addendum page.

The listing of potential activities below is by no means exhaustive, but serves to illustrate a few possibilities that counties may consider when designing their programs.

TANF FISCAL INCENTIVES – PROGRAMS THAT PROVIDE ASSISTANCE TO NEEDY FAMILIES:

Activities consistent with the first purpose of TANF are those that provide assistance to needy families so children may be cared for in their own homes or in the homes of relatives. It does not cover children living with non-relatives. Benefits or services may include funding of home repairs or food banks to provide groceries to needy families. Benefits provided under this purpose are not limited to those within the definition of “assistance.”

TANF FISCAL INCENTIVES-PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS:

Activities consistent with the second purpose of TANF are those that end the dependence of needy parents on government benefits by promoting one of three objectives: 1) job preparation; 2) work; and 3) marriage. Activities would include time spent helping any needy parent, including a noncustodial parent or a working parent, by providing employment, job preparation, or training services. Potential services include job or career advancement activities, marriage counseling, refundable earned income tax credits, childcare services, and employment services designed to increase the noncustodial parent’s ability to pay child support. Activities that promote any one of the three objectives (i.e., job preparation, work, and marriage) would be consistent with this purpose.

CODE 0921 TANF FISCAL INCENTIVES-PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS-NON-ADMIN

Includes time spent providing program service information to clients, screening and assessments, case management, data collection and providing supportive services.

CODE 0961 TANF FISCAL INCENTIVES-PROGRAMS THAT END DEPENDENCE OF NEEDY PARENTS-ADMIN

Includes time spent performing general administrative activities including, but not limited to, coordination of the program, preparation of program plans, budgets and schedules, and program eligibility determinations.

TANF FISCAL INCENTIVES – PROGRAMS THAT PREVENT OR REDUCE OUT-OF-WEDLOCK PREGNANCIES:

Activities consistent with the third purpose of TANF are those that prevent and reduce incidence of out-of-wedlock pregnancies, and establish annual numerical goals for preventing and reducing incidence of these pregnancies. Neither this purpose nor the following purpose is limited to needy families or individuals. Potential activities that are reasonably calculated to accomplish this purpose include abstinence programs, visiting nurse services, and programs and services for youth such as counseling, teen pregnancy prevention campaigns, and after-school programs that provide supervision when school is not in session. Counties may also fund a media campaign for the general population on abstinence or preventing out-of-wedlock childbearing.

CODE 0931 TANF FISCAL INCENTIVES – PROGRAMS THAT PREVENT OR REDUCE OUT-OF-WEDLOCK PREGNANCIES – NON-ADMIN.

Includes time spent providing program service information to clients, screening and assessments, case management, data collection and providing supportive services.

TANF FISCAL INCENTIVES – PROGRAMS THAT ENCOURAGE THE FORMATION AND MAINTENANCE OF TWO-PARENT FAMILIES:

Activities consistent with the fourth purpose of TANF are those that encourage the formation and maintenance of two-parent families. This includes parenting skills training, premarital and marriage counseling, and mediation services;

activities to promote parental access and visitation; job placement and training services for noncustodial parents; initiatives to promote responsible fatherhood and increase capacity of fathers to provide emotional and financial support for their children; and crisis or intervention services.

GENERAL FUNCTION DEFINITION

Any activity related to a nonwelfare program. Costs of nonwelfare program activities may be identified to this function or as an Extraneous Cost on the CEC. If claimed to the nonwelfare function, all associated overhead costs are allocated to county-only funding. If claimed as extraneous, County Welfare Departments (CWDs) must apply the appropriate indirect cost rate to these nonwelfare costs.

TIME STUDY STAFF

Casework and support staff performing those activities in support of nonwelfare programs administered and/or operated by the CWD must record time to nonwelfare.

NONWELFARE PROGRAMS:

Examples of nonwelfare programs include, but are not limited to, Public Guardian and Veterans Affairs.

(3) Short and long term training at educational institutions and in-service training may be provided in accordance with provisions of ~~45 CFR Section~~ 235.63 through 235.66(a) of this title.*

For purposes of 45 CFR 1356.60(b)(1)(ii), the State or local agency administering the plan is limited to State and County Welfare Department (CWD) and another public agency that has responsibility for placement and care and has entered into a Title IV-E Section 472(a)(2) agreement with the CWD to operate Title IV-E. The only agency who currently has this agreement is County Probation.

COSTS REIMBURSABLE AT 75 PERCENT FEDERAL FINANCIAL PARTICIPATION (FFP)

The federal regulations at 45 CFR 235.64 established the guidelines for training expenditures that are eligible for reimbursement at the enhanced rate of 75 percent. These costs include:

Salaries, fringe benefits, travel, and per diem for:

- Staff development personnel (including support staff) assigned full time to training functions; and
- Staff development personnel assigned part time to training functions to the extent the time is spent performing such functions.

For agency training sessions, FFP is available for:

- **Salaries, fringe benefits, travel and per diem for employees in initial in-services training of at least one week;**
- **Travel and per diem for employees in agency training sessions away from the employee's work site, or in institutes, seminars, or workshops related to the job and sponsored by professional organizations;**
- **Salaries, fringe benefits, travel and per diem for experts outside the agency engaged to develop or conduct special training programs; and**
- **Costs of space, postage, teaching supplies, purchase or development of teaching material and equipment, and costs of maintaining and operating the agency library as an essential resource to the agency's training program.**

For training and education outside of the agency, FFP is available for:

- **Salaries, fringe benefits, dependency allowance, travel, tuition, books and educational supplies for employees in full-time, long-term training programs (with no assigned agency duties);**
- **Salaries, fringe benefits, travel, tuition, books, and educational supplies for employees in full-time, short-term training programs of four or more consecutive work weeks;**
- **Travel, per diem, tuition, books, and educational supplies for employees in short-term training programs of less than four consecutive work weeks, or part-time training programs; and**
- **Employees in full-time, long-term training who make a commitment to work in the local agency for a period of time equal to the period of which financial assistance is granted.**

For training and education for persons preparing for employment with the local agency, FFP is available for:

- **Stipends, travel, tuition, books and educational supplies for persons preparing for employment with the State or local agency, as long as the following conditions are met:**

- The individual is selected by the local agency and accepted by the school;
- The program is approved by the State;
- The individual has a legally binding commitment to work for the local agency for a period of time at least equal to the period for which financial assistance is granted;
- The local agency offers the individual a job within two months after completion of training;
- The State evaluates the program;
- The local agency keeps a record of the employment of persons trained which also specifies the reason for non-employment; and
- Any recoupment of funds from trainees failing to fulfill their commitment shall be deducted from total training costs.

In addition, FFP is available for:

- Payments to educational institutions to develop, expand, or improve training for agency personnel for salaries, fringe benefits, and travel for instructors, clerical assistance, teaching materials, and equipment; and
- Providing short-term training (including travel and per diem) to current and prospective foster or adoptive parents, and the members of the state-licensed or approved child care institution providing care to foster and adoptive children receiving Title IV-E assistance.

COSTS REIMBURSABLE AT 50 PERCENT FFP

The costs of training any other county staff are eligible only for the 50 percent Title IV-E administrative match rate provided that the staff is contracted by the CWD to perform a Title IV-E administrative function and training is necessary for such staff to perform the Title IV-E administrative function, e.g. multi-disciplinary teams.

COST NOT ELIGIBLE UNDER STAFF DEVELOPMENT AND TRAINING

The federal regulations do not allow the following costs to be claimed as staff development and training, but may be claimed under Title IV-E administrative costs:

- Salaries of supervisors (day-to-day supervision of staff is not a training activity); and
- Employment of students on a temporary basis, such as in the summertime.

COSTS NOT ELIGIBLE FOR TITLE IV-E

FFP is for administrative costs necessary for the proper and efficient administration of the Title IV-E State Plan. Therefore, county staff, which are not necessary for the administration of the Title IV-E foster care program, are not eligible for claiming Title IV-E for training.

Training costs must be relevant to the operation of the Title IV-E foster care and adoption assistance programs. For example, training mandated reporters is not eligible for Title IV-E at any rate. Similarly, training for hotline workers, and emergency response workers such as investigating allegations of child abuse and neglect is not considered necessary for administering Title IV-E.

DISCOUNT RATE

It should be noted that all Title IV-E training costs will have a non-federal discount rate applied pursuant to California's countrywide cost allocation plan. The discount rate is applied automatically on the county expense claim using each county's individual non-federal discount rate.

Please ensure local procedures for claiming Title IV-E training costs are in compliance with federal regulations.

COSTS REIMBURSABLE AT 75 PERCENT FFP

~~Training costs which meet the above criteria for reimbursement at the enhanced 75 percent rate under this provision include:~~

- ~~Salaries, fringe benefits, travel and per diem of full and part-time staff assigned to training functions to the extent time is spent performing such functions.~~
- ~~Salaries, fringe benefits, travel and per diem for employees in:~~
 - ~~Initial in-service training, defined as “a period of intensive, task-oriented training to prepare new employees to assume job responsibilities”, of at least one week.~~

- ~~Salaries, fringe benefits, travel and per diem for experts outside the agency engaged to develop or conduct special training programs.~~
- ~~Costs of space, postage, teaching supplies, purchase or development of teaching material and equipment, and costs of the agency’s library.~~
- ~~Salaries, fringe benefits, dependency allowance, travel, tuition, books and educational supplies for training outside of the agency for employees in full-time, long term (eight consecutive work weeks or longer) training programs with no assigned agency duties. (GDSS Manual Policy and Procedure 14-212.1).~~
- ~~Salaries, fringe benefits, travel, tuition, books, and educational supplies for employees in full-time, short term training programs of four or more consecutive work weeks.~~
- ~~Travel, per diem, tuition, books, and educational supplies for employees in short term training programs of less than four consecutive work weeks or part-time training programs.~~
- ~~Stipends, travel, tuition, books and education supplies for persons preparing for employment with the State or local child welfare agency as long as the following conditions are met:~~
 - ~~The individual is accepted by the school;—~~
 - ~~The programs are approved by the State and is full-time, long term training (eight consecutive weeks or longer);~~

- ~~The individual has a legally binding commitment to work for the local agency for a period of time at least equal to the period for which financial assistance is granted;~~
- ~~The local agency offers the individual a job within two months after completion of training;~~
- ~~The State evaluates the program;~~
- ~~The State keeps a record of the employment of person trained which also specifies the reason for non-employment; and~~
- ~~Any recoupment of funds from trainees failing to fulfill their commitment shall be deducted from total training costs.~~
- ~~Payments to educational institutions for (1) salaries, fringe benefits, and travel for instructors, (2) clerical assistance, (3) teaching materials, and equipment.~~

COSTS REIMBURSABLE AT 50 PERCENT FFP

~~The costs of training any other county staff, e.g. staff with the Department of Mental Health, or staff of private agencies is only eligible for the 50 percent Title IV-E administrative match rate provided that the other county department or private agency is contracted by the county welfare department to perform a Title IV-E administrative function and the training is necessary for such staff to perform that Title IV-E administrative function.~~

~~Administrative costs reimbursable at the Title IV-E administrative rate of 50 percent rate are:~~

- ~~Support staff costs for a training office/center which include:

 - ~~Support staff travel and space.~~
 - ~~Central support department costs except for overhead identified above.~~
 - ~~Electronic Data Processing (EDP) maintenance/operations and development.~~~~

COST NOT ELIGIBLE UNDER STAFF DEVELOPMENT AND TRAINING

The federal regulations do not allow the following costs to be claimed as staff development and training, but may be claimed under Title IV-E administrative costs:

- Salaries of supervisors (day-to-day supervision of staff is not a training activity).
- Employment of students on a temporary basis, such as in the summertime.

It should be noted that all Title IV-E training costs will have a non-federal discount rate applied and must be relevant to the operation of the Title IV-E foster care and adoption assistance programs. For example, training mandated reporters is not eligible for Title IV-E at any rate. Similarly, training for hotline workers and emergency response workers such as investigating allegations of child abuse and neglect is not considered necessary for administering Title IV-E. Pursuant to California's countywide cost allocation plan, the discount rate is applied automatically on the county expense claim using each county's individual non-federal discount rate.

COSTS NOT ELIGIBLE FOR TITLE IV-E

Costs associated with training non-child welfare agency staff (or staff of other public agencies with an agreement to operate Title IV-E, e.g., Probation) except for short-term foster and adoptive parents and licensed child care institution staff are not eligible for Title IV-E funding at the enhanced rate. Training staff of other public and private agencies may be eligible at the administrative rate if they are contracted to perform a Title IV-E administrative function on behalf of the State/county and the training is necessary for those staff to carry out the Title IV-E Administrative activity are not eligible to Title IV-E funding.

GENERAL FUNCTION DEFINITION

Staff development personnel are required to complete a continuous time study. In addition, part-time staff must record time spent performing staff development activities on a continuous basis as well.

TIME STUDY STAFF

- A. Trainers, their first-line supervisors, and non-supervisory training coordinators time study to staff development all activities that are specified in the county's Annual Training Plan. For staff not assigned full-time, non-staff development time is recorded as casework or administrative activity in accordance with Support Staff Time Reporting Plan (SSTRP).

- B. Clerical staff, who are assigned to support the staff development unit, record this time to Staff Development Support on the DFA 7. For those staff who also provide support to non-staff development units, non-staff development support time is recorded in accordance with SSTRP and, as a result, their salaries and benefits are prorated between Staff development Costs and other applicable cost pools.
- C. Second-line staff development supervisors who are assigned to the staff development unit record their time to Staff Development Support on the DFA 7. If not assigned solely to staff development, non-staff development time is recorded in accordance with SSTRP, their salaries and benefits are prorated between Support Staff Costs and Staff Development Costs pools.
- D. Staff Development Trainees do not time study to staff development.
 - 1. Caseworkers attending induction training or full-time training of at least four consecutive weeks do not complete any time study.
 - 2. Caseworkers in continuing training record the time to the benefiting program as a casework activity; generic training is recorded as generic.
 - 3. In SSTRP counties, administrative and clerical staff record time for program or function-related training to the level approved in SSTRP on the Support Staff Time Report; generic training is recorded as generic.

TIME STUDY INSTRUCTIONS

Staff development activities include planning, needs assessment, course design, presenting training, monitoring and evaluation. Staff development activities are identified to three categories: function, specific to program, or generic. Identify activities to the category based on the following definitions:

- A. Function: The training activity relates to a function, but is not specific to one program within the function:
 - 1. Social Services – General
 - 2. CalWORKs – General
 - 3. Other Public Welfare – General
 - 4. Child Care – General
 - 5. Nonwelfare – General

6. Generic
- B. Program: The training activity relates to one or more specific programs that can be identified. For example, CalWORKs eligibility worker induction training covers both Food Stamp and CalWORKs programs, the training activity is prorated between the two programs based on training time spent in each program area. Activities are recorded to programs using the appropriate four-digit code; refer to Program Code Description for each function to obtain the appropriate code.
- C. Generic: The training activity does not relate to a particular function or program. Some examples of Generic training subjects are time management, supervising techniques, civil rights, first aid, and stress reduction.

**SECTION VII
ELECTRONIC DATA PROCESSING (EDP)
PROGRAM CODE DESCRIPTION
03/01**

TIME STUDY STAFF

County welfare department employees who are assigned to perform EDP activities on a temporary or permanent basis will record time as specified. Eligible EDP activities include: analysis, feasibility and system studies, system design, development, programming, implementation, and maintenance.

Electronic data processing staff and first-line EDP supervisors who perform these EDP activities will record time to developmental or maintenance and operations (i.e., M and O) category, as applicable. These staff must complete continuous time studies.

Other CWD staff who are temporarily assigned to perform EDP activities will record their EDP time to the developmental category only. Their non-EDP time will be recorded, as applicable, to those activities in accordance with Staff Support Time Reporting Plan (SSTRP). Both the EDP and non-EDP time must be recorded on a continuous basis in order to capture total hours worked for the day.

Administrative and clerical staff who are assigned to support the EDP unit record this time to EDP Support on the DFA 7. For those staff who also provide support to the non-EDP units, the non-EDP support time is recorded in accordance with the SSTRP, and as a result their salaries and benefits are prorated between EDP and other cost pools.

TIME STUDY INSTRUCTIONS

County welfare department staff are required to record their EDP activities as M and O or developmental.

M and O:

Activities are recorded to the program, function, or SAWS project, if EDP activity benefits one specific program, function or one SAWS project. If the activity benefits more than one function, the activity is recorded to Generic. Record activities to these designators:

A. Social Services	B3. SAWS	E. Nonwelfare
B1. CalWORKs	C. Other Public Welfare	F. Generic
B2. Central Data Base SAWS	D. Child Care	G. Direct-to-Program

Developmental Projects:

Activities or Purchase of Service benefiting developmental projects are recorded to project number, project title, and/or program code.

NONWELFARE SUPPORT TIME

Support staff salaries, benefits and overhead costs (determined by the indirect cost rate) will be identified to the Direct Cost pool when there are no casework hours for the nonwelfare program. Counties shall report nonwelfare support costs, when there are casework hours, to the Nonwelfare Function to allow for appropriate distribution of allocable costs.

COMPLETING THE DFA 7

- A. Check the appropriate box to indicate the worker's classification: General/Direct-to Program/Function management/supervisory or clerical, EDP support, or staff development support. A worker may have more than one classification.
- B. If a worker is recording time to the program level, enter the program code from the appropriate function Program Code Descriptions and record on the generic DFA 7.
- C. Record travel and continuing training time to the program or function level approved in the SSTRP. Travel and training time having a department-wide benefit or cannot be identified to a program or function will be recorded as generic. For staff not included in a SSTRP, record this time to time study code used for all other customary activity.
- D. Time Study Staff
- Complete the DFA 7 on a daily basis throughout the month.
 - Check Time Study box.

E. Time Certification Staff

- Record nonallocable time daily; record total allocable time at the end of the month only.
- Check the Time Certification box.

At the end of each time study month, each first-line supervisor will attest to the accuracy of the time studies and certifications completed by employees in their units by signing the designated line.

TIME REPORTING INSTRUCTIONS FOR FIRST-LINE SUPERVISORS

First-line supervisors may certify time spent supervising their unit if their staff certify. If their staff time study they must prorate their supervisory time based on the allocable time reported by unit staff.

TIME REPORTING FOR SECOND-LINE SUPERVISORS THROUGH DIRECTORS

Second-line supervisors and above will time study/time certify as specified in the SSTRP. Please refer to General Time Study Instructions.

SECTION XI
GENERAL TIME STUDY INSTRUCTIONS
06/04

GENERAL INSTRUCTIONS FOR COMPLETING THE TIME STUDY

Complete the time study on a continuous basis throughout the day.

Round hours to the nearest quarter hour.

Record the total hours worked for each day; do not record overtime (OT) and compensating time off (CTO) hours worked in the total hours for the day. When CTO is used, record the time to the program or activity that caused the overtime. If the county is unable to track CTO to the program that caused the overtime, CTO may be recorded as nonallocable when used.

Record travel time to the program with which it is associated.

Record docks, furlough, leave without pay, holidays, jury duty, military leave, sick leave, and vacation as nonallocable. Lunch and normal days off are not recorded.

Time spent on breaks are allocable hours and must be reported to the last activity that staff was performing prior to going on break.

Record time spent in continuing training to the associated program; if not identifiable to a program, record as generic.

Record quality control/quality assurance and program integrity activities to the associated program.

Record time for conferences and staff meetings to the associated program or function; if not identifiable to either, record as generic.

The total allocable and nonallocable hours recorded for each day must equal the total assigned routine work hours as defined by the County Welfare Department (CWD).

Caseworkers, who perform administrative activities, whether full-time or part-time, will record these activities to generic.

First-line supervisors of caseworkers record their nonallocable time and any direct time spent on casework activities on a daily basis. Time spent on supervision is allocated to the appropriate programs at the end of the time study period based on the allocable time of their staff.
